Foreword

WE, THE CLASS OF 1930, present this volume of the "Rocket" to you in the hope that it may faithfully portray a year's history of High School life in all its various phases, and that it may furnish a record of the pleasant hours we have spent here. If it succeeds in accomplishing these things, we shall feel that our efforts have been worth while.

To the Class of 1930:

CONSTANTLY keep high ideals before you. Set the standard of your thinking and your living above that of the masses. The world today needs men and women who are courageous and righteous leaders. Adopt principles that will mold character and make you an influence for finer and better living.

To the Faculty

You, who gave us education,
In addition, power and strength,
You, who offered information,
Brought us to our goal at length.

You've prepared us for a new life
In the halls of life's own school
Where we will encounter many
Facing tasks with sterner rule.

All the patience you have given
To both ignorant and wise;
Through the tedious hours
Smiling, maybe in disguise.

If we only could repay you,
For the wonders you have done
This is all that we can offer—
Thanks, from each and every one!

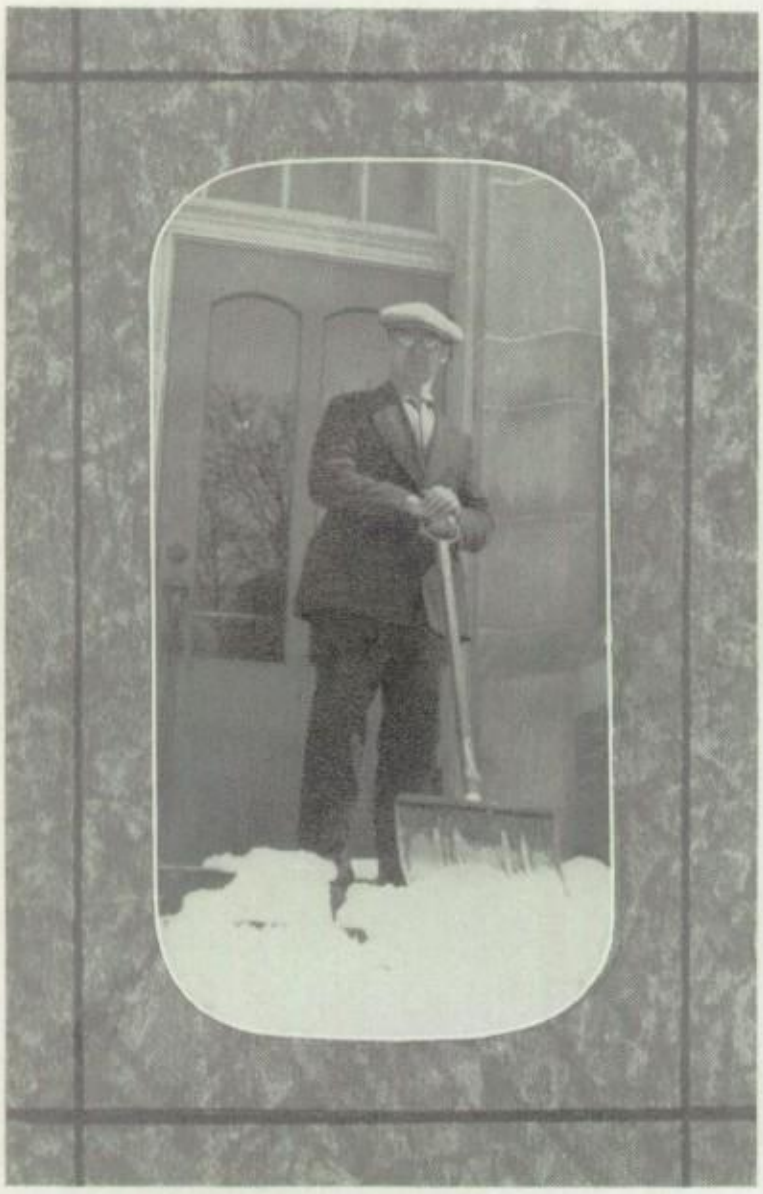
We and the Janitor



Who's careless when the mud is deep?
The Freshman.
Who comes in and leaves on his hat,
And makes a path around the mat?
Who should be given brains to keep?
The Freshman.

Who's reckless eight o'clock to four?
The Junior.
Who grins a senseless grin, and grinds
The chalk beneath his heel, and finds
An inkwell for the note he tore?
The Junior.

Who fails to stop and think again?
The Sophomore.
Who spills the ink and lets it dry
Upon his desk—who doesn't try
To use some judgment now and then?
The Sophomore.

Who's thoughtless as when we first met?
The Senior.
Who owns that crumpled paper on
The floor beside the basket? 'Pon
My word, he's a poor marksman yet,
The Senior.

And who is he who keeps things white?
The Janitor.
Our thankless, thoughtless, careless frames
Of mind he overlooks; nor blames
Us when he sweeps. NOW, WHO'S ALL RIGHT?
Why, Mr. Guse, of course.

Class Poem

Dear old school with bricks of red,
And echoing corridors,
Hosts of fleeting memories
Are mingled midst your lores.

We were safe within your care
And happy, pure, and true,
Knowing naught of tricks of life
While sheltered there by you.

Days have come and days have gone,
And years have passed us by,
Time to bid a sad farewell
Too soon is drawing nigh.

Facing now the storms of life
Alone, we must come through,
Brave and strong we'll battle on;
So dear old school, adieu.

ACTIVITIES

Debate

THE 1930 debate teams have had the most successful season ever witnessed by Mayville High School. Not satisfied with winning the Little Ten Championship, they followed the road of success to the doors of the State Capitol and came home with the coveted title, "State Champions". The teams were greeted on their return by strains of music rendered by the City Band and cheers portraying the inmost feelings of the citizens of Mayville toward the teams. Speeches were made by some of the prominent men of the city.

The two championship trophies, the Little Ten and State, were awarded Mayville High School at a forensic banquet held at the High School, May 12. Professor A. L. Franzke of Lawrence College was the principal speaker of the evening.

The teams and Mr. Melzer, the Coach, are to be congratulated on the splendid record they have made this year.

Affirmative Team

George Kosich | Evelyn McCloud | George Maaske

The question debated this year was, "Resolved: That the system of installment buying as now practiced in the United States is both socially and economically desirable."

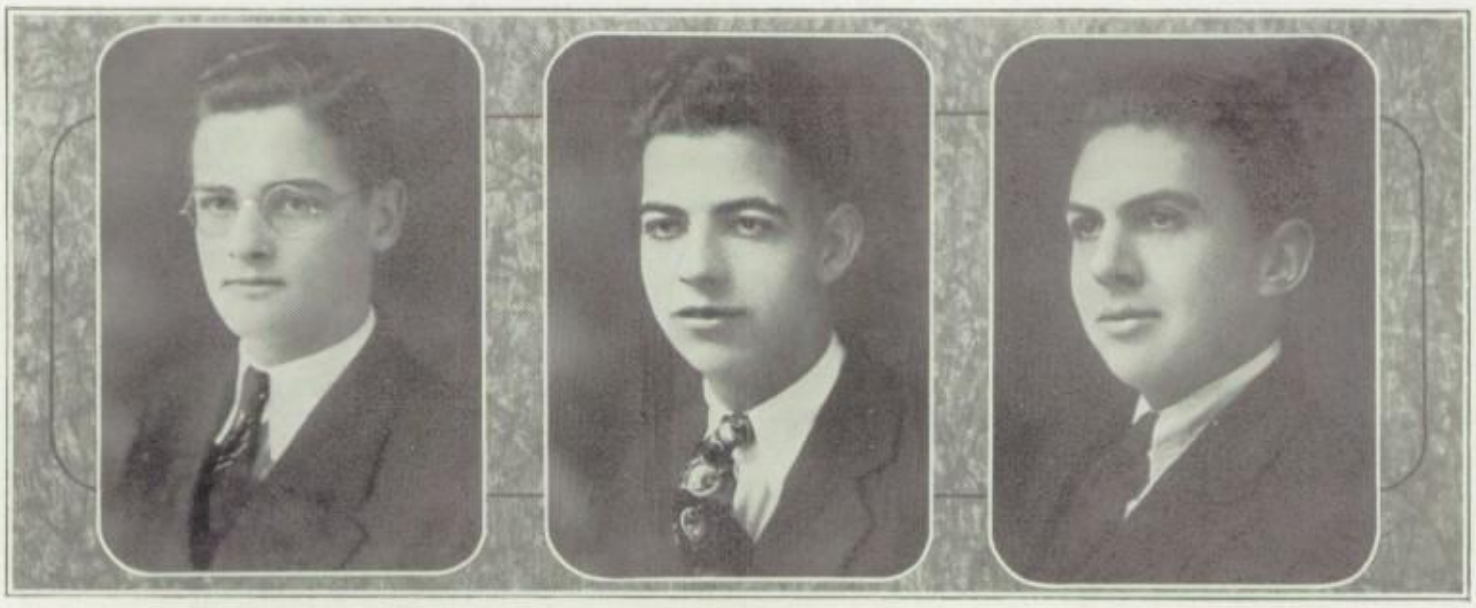
The schedule of the practice debates was as follows:

Mayville Negative vs. Watertown at Watertown.
Mayville Affirmative vs. Watertown at Watertown.
Mayville Negative vs. Lake Mills at Lake Mills.
Mayville Affirmative vs. Wayland at Mayville.

The Conference debates resulted as follows:

	Mayville	Opponents
Mayville Aff. vs. Waupun	100%	90%
Mayville Neg. vs. West Bend	100	97
Mayville Aff. vs. Horicon	100	98
Mayville Neg. vs. Hartford	96	100
Mayville Aff. vs. Hartford	100	95
Mayville Neg. vs. Hartford	100	98

Negative Team



Spencer Johnson | Robert Ruedebusch | John Schneider

The schedule and results of the second round were:

	Mayville	Opponents
Mayville Neg. vs. Deerfield	100%	92%
Mayville Aff. vs. Hartford	100	95

The schedule and results of the semi-final round, which enabled Mayville to take part in the sectional finals, resulted as follows:

	Mayville	Opponents
Mayville Aff. vs. Fort Atkinson	100%	99%
Mayville Neg. vs. Washington High	100	98

By becoming victor of these two above debates, Mayville became the champion of the southern district of the state.

The state finals were held at Madison, March 26, at the State Capitol. This last and concluding round ended successfully for Mayville, resulting in the following:

	Mayville	Opponents
Mayville Aff vs. New Richmond	100%	98%
Mayville Neg. vs. Viroqua	100	94

Homecoming

HOMECOMING—the very word gives a thrill to all who have participated in one. It is a time when all students, alumni, and members of the faculty unite in expressing their school spirit.

The celebration started Friday night, October 18th, with a big Hobo parade which terminated with a huge bonfire at the Malt House grounds. Prizes were awarded for the best floats and the best hoboes. Everyone contributed to the fun, and pep was aroused for the big events of the next day.

The spirit of excitement reached its apex on Saturday, the red letter day of the year. The large attendance at the football game which resulted in a victory for us, gave proof of the fact that school patriotism is something tangible in Mayville.

The dance sponsored by the Senior Class concluded the day's activities and "Joy was unconfined".

Assembly Programs

A NUMBER of special programs were presented before the Assembly in the course of the year. A Thanksgiving program was given by the Eighth Grade History Class. The Junior English Class presented a Lincoln-Washington program. The Rocket Staff gave a program for the purpose of promoting subscriptions for the Rocket. We also enjoyed a musical program consisting of numbers by the Junior and Senior bands, a violin solo by Miss Nickles, and vocal duets by Mr. McMahon and Mr. Christensen. The student body is greatly indebted to the sponsors of these programs for the interesting entertainment offered them.

We were fortunate to have for our speakers this year, Mrs. MacDonald of New York, and Mr. Ward, a teacher at Bombay, India.

Declamatory and Oratory

The district declamatory and oratorical contests were held at West Bend. The schools represented were West Bend, Hartford, and Mayville. LaVerne Bartsch and Marion Bachhuber represented Mayville in declamatory, with Spencer Johnson and Stanley Wiese in oratory. LaVerne Bartsch won third place in declamatory, and Spencer Johnson won second place in oratory.

Junior Promenade

The annual Junior Prom given in honor of the Seniors on the evening of May 17, was the outstanding social event of the year.

The Gymnasium was beautifully decorated with large modernistic panels which extended from the floor to the balcony. Between the large designs were smaller pieces forming a fence around the dance floor. The colors used throughout were sky blue and silver, the Senior Class colors. The same scheme was carried out on the stage, where silver angles flashed upon a blue background. Flanking the curtain on either side was a modernistic tree in blue and silver. The stage was lighted by floor lamps with modernistic shades.

Several hundred people, many from out of town, attended. The music was furnished by the Mid-Nite Rounder's eight piece orchestra. At 10 o'clock, the Prom Chairman, George Deanovich, with his Prom Queen, Dorothy Meiners, led the Grand March. They were followed by Robert Ruedebusch, the Senior Class President, and his partner, Ethel Murphy.

A cafeteria lunch was served at the Turner Hall by the Damensektion.

The Prom was pronounced a complete success by all present.

ORGANIZATIONS

Music Festival

THE first program of this year's Tri-City Music Festival was held in the Mayville High School gymnasium on Friday evening, April 25.

The combined bands, orchestras, and choruses of the Mayville, Horicon, and Columbus High Schools, took part in the program. The band consisted of about 90 pieces, the orchestra of about 20 pieces, and the chorus of approximately 150 voices.

The program at Mayville was given under the supervision of Miss Nickles and Mr. Christensen. The success of the program was due, in a large part, to their efforts.

The Student Voice

The Journalism class has charge of the publishing of The Student Voice, our school newspaper. The aim and purpose of this paper is to express the spirit of our school, and to serve as a reflection of student activities and interests.

This last statement was proven when the orchestra appeared at the Homecoming dance, the Farmers' Institute, the Senior Class play, and the school parties throughout the year.

Although several of the members will graduate this year, it is hoped that the High School Orchestra of years to come will keep up the pace which this one has set.

Scouting

GIRL SCOUTS

THE Lone Eagles, White Pines, North Stars, and Lilies of the Valley made great progress during the past year; progress in true Scout spirit and leadership, progress in Scout rank. Last year only six industrious girls became Second Class. This year we have fifteen Second Class Scouts and the promise of many more who are nearing that goal. "Who is to be the first, First-Class Girl Scout in Mayville" is now uppermost in the minds of the Girl Scouts.

"It is more blessed to give than to receive," accounts for much of the success and pleasure evidenced by the Christmas party.

The outstanding events of the year were the trips to "The Cabin" and the over-night hike.

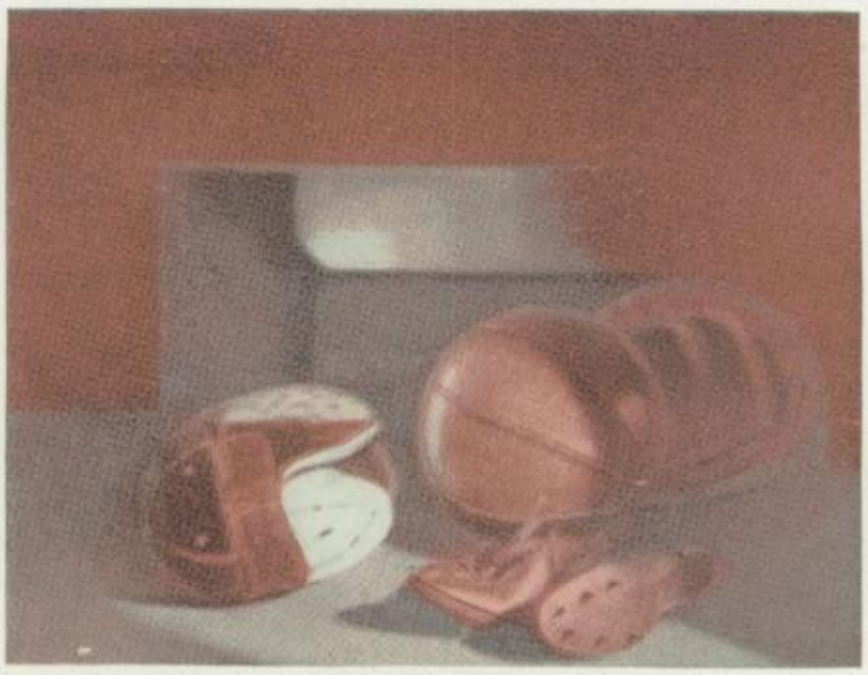
"Here's to our over-night hike on the river,
Let's have another next year!"

BOY SCOUTS

THE Boy Scout movement went under way as soon as school started. With Mr. McMahon as leader, the Scouts had a big year. Meetings were conducted in a business-like manner and consequently the Scouts passed more tests.

The boys did their share toward the Community Park by raking the old park site. Troop 17 performed various jobs to raise money for a trip to Northern Wisconsin. The fact that both Scout troops increased their membership attests to the great popularity of the Scout movement.

The Badger Council held a basket-ball tournament at Fond du Lac on March 29. Troops from Fond du Lac, Kewaskum, Ripon, Horicon, West Bend, and Mayville took part. The Scouts were divided into three divisions. Troop 17 won two first places and Troop 16 captured second place.



ATHLETICS

Athletics

THE school year just elapsed was a banner one in Athletics at Mayville High. Her football team achieved the distinction of capturing our first Little Ten Championship. The team played a long and hard schedule, but came through with a clean record in play and good sportsmanship. Our basket-ball team, after a slow start, proceeded to win its last three games. Spring practice revealed promising football material, and in spite of the loss of several regulars who graduate with the class of '30, prospects of another championship team next fall are favorable.

The school is much indebted to Coach Dunn and Assistant Coach McMahon for their wonderful influence on the boys. Besides producing winners, they also molded men.

Manager Kosich's work was also indispensible to the team. Drs. Bachhuber helped greatly in keeping the boys free from injuries. We cannot forget the despised subs who took the bumps while the regulars copped the glory.

Athletics has awakened a fine school spirt in our High School. Win or lose, may it never die!

The whole-hearted support of the Community in our athletic endeavors was greatly appreciated. The football team wish to thank the business men for the fine gold footballs presented to them. It was through their moral support that the team was able to put forth its best efforts.

The importance of athletics in the school curriculum cannot be overstressed. It promotes sportsmanship and fair play; it builds character, a clean mind in a strong body; it is conducive to scholarship; it imparts a lesson that we can take into life, a team that can't be beaten. It demonstrates an invaluable lesson of citizenship, namely co-operation.

Hats off to Athletics!

Conference Games

BERLIN

Mayville's first Little Ten game resulted in a 19-0 victory, Berlin being her victim. Bachhuber scored two touchdowns on triple passes and also broke away for several long runs. Our first touchdown came on the second play of the game. The entire second team saw action most of the last quarter, and they also out-played Berlin, Mike Dallich scoring a touchdown. Berlin never threatened seriously.

Captain—Elsinger

COLUMBUS

Mayville won a decisive victory at Columbus. During the fray, the 27 Red and White Warriors who made the trip saw action. The Iron Men scored 19 points in the first quarter, and the second team played during the second quarter. 13 points were scored in the third quarter, and the subs again held Columbus on even terms. This 31 point victory started us well on the way to the championship.

Captain—Daniels

BEAVER DAM

Mayville celebrated her Homecoming by trouncing Beaver Dam 34-0, a real atonement for last year's crushing defeat. "Bubala" booted four consecutive place kicks after touchdown. Most of the game was played in Beaver Dam territory. The Goslings threatened but once. The feature of the game was a 75 yard run, made by Daniels, for a touchdown behind good interference. Mayville's backs continually broke away for long runs.

Captain—Daniels

WEST BEND

West Bend brought a husky and confident team to Mayville, but were defeated, 13-0. Mayville's initial touchdown came of the second play of the game as a result of a pass—Bachhuber to Nick Dallich. Thence, to the third quarter was a see-saw affair. A Mayville pass brought the ball deep into enemy territory. The pigskin was then carried across the goal through straight football. West Bend threatened several times, but the fighting "Red and White" line held. O'Meara of West Bend played good ball at fullback. This was undoubtedly Mayville's hardest battle, although she missed up on one opportunity to score.

Captain—Daniels

WAUPUN

A large delegation of Waupun rooters followed the undefeated "Prison City" squad to Mayville. It was the crucial game of the season, and would most likely decide the championship of the Little Ten. According to the Waupun paper the game was already sewed up, but we took advantage of the breaks, and scored a touchdown in each quarter. The crowd went wild when Eddie Bachhuber, behind perfect interference, took the kickoff in the second half, and ran 90 yards for a touchdown. It was the longest run registered in the Little Ten Conference in the official '29 season. George Deanovich scored a touchdown on a pass in the second quarter. Malesevich and Daniels demonstrated their line plunging ability by each scoring a touchdown. Mayville's goal line was crossed for the first time in the season when Howard, Waupun's fullback, scored a touchdown in the third quarter. The 25-6 score does not indicate the closeness of the game. Waupun threatened several times, but we dug our cleats into the turf and held when it became necessary. Mayville's pass defense completely wrecked their highly touted passing attack.

Captain—Daniels

RIPON

The last game of the most successful season Mayville's Iron City gridders ever experienced, was a victory over the fighting Ripon team, 19-0. "Schnitz" Schneider, a former coach at Mayville refereed the game. Dunn, as usual, sent in many substitutes, and at least 25 Red and White players saw action. "Eddie" returned a punt 60 yards for a touchdown in the third quarter. Twelve Seniors played their last game in Mayville uniforms.

Athletic Banquet

EIGHTEEN members of the Championship Mayville High School football team were awarded gold football emblems at a banquet held at the gymnasium on December 20. The banquet was sponsored by the Woman's Club and Business Men.

Mr. Thiel gave the address of presentation and awarded the gold footballs to the "M" men. Mr. Bussewitz, Principal of the Horicon High School and President of the Little Ten presented a full-size silver football to the school. Mr. Dunn accepted the silver trophy on behalf of the school. Other speakers at the banquet were Howard Hancock, assistant freshman football coach at the University of Wisconsin, Mr. McMahon, assistant coach, Mr. Riordan, formerly of this city, Mr. B. J. Husting, Mr. L. S. Keeley, and Mr. Melzer. Mr. Buth acted as toastmaster.

Vocal selections were given by Miss Nickles and Mr. McMahon assisted by Mrs. Christensen. Emil Malesevich contributed a violin solo.

The boys are grateful to the Business Men and members of the Woman's Club for the interest they have taken in them.

Season's Games

BEAVER DAM

The outcome of Mayville's first Conference game at Beaver Dam on January 8, ended disastrously for Mayville. Although the team led up to the last five minutes, Beaver Dam caged a field goal to defeat us, 20-19. The real margin of victory lay in Beaver Dam's ability to make nine of her free throws, while Mayville caged but two.

Captain—Daniels

HARTFORD

Mayville's first Conference victory was at the expense of Hartford. Mayville came back with a strong passing attack in the second half, and scored 23 points to Hartford's 11. Daniels was high man with 14 points.

Captain—Nick Deanovich

COLUMBUS

Mayville's reception at Columbus was as frigid as the 20 below zero weather, and she was defeated in their cold cigar box, 25-15. The game was hard fought throughout. A different result would have been achieved had Mayville made more free throws.

Captain—Nick Deanovich

HORICON

Before one of the largest crowds that ever witnessed a game in the local gym, Mayville suffered defeat before an inspired Horicon team. The visitors led at the half, 9-5. Our team was desperate in the second half, but our shots failed to find the hoop. Several of our caged shots were not allowed. The game was hard to loose, especially at the hands of our ancient rivals.

Captain—Nick Deanovich

WEST BEND

Our team put up a pathetic game of basket-ball when it suffered a 28-7 defeat at the hands of a strong West Bend quintet. Not a field goal was registered by us.

RIPON

Mayville played an improved game at Ripon, and the score, 19-9, does not disclose the fight our boys put up. The count at the half was 10-5 in their favor, but in the third quarter we ran our score up to 9 and it appeared possible for us to win. Our defense was strong in the second half and Ripon made but two field goals. The last 5 points were scored via the free throw route. Several of our baskets were disallowed because the referee interpreted sliding on the slippery floor as steps.

COLUMBUS

Mayville came close to wrecking Columbus's championship hopes, but the sharp shooting of Poser, Columbus's forward, gave them the edge, 25-20. The half ended, 11-10, but in the third quarter our opponents out-distanced us. Daniels found his shooting eye in the last few minutes of play and quickly caged two baskets. Columbus stopped

the rally by taking time out, and after play was resumed, stalled until the gun cracked. This drew up our offense and they were able to sneak in several baskets.

HARTFORD

Friday, February 21, Mayville scored her second Conference victory of the season, 29-15. We emerged from the league-cellar after a prolonged stay of about a month. Our lead was 13-9 at the half. Hartford came back strong at the beginning of the third quarter and soon ran her score up to 14. Our team suddenly came to life in the last quarter, the game ending, 29-15.

Captain—Daniels

WEST BEND

Coming from behind in the last quarter, a fighting red and white quintet achieved sweet revenge for a previous defeat in registering a 27-24 victory against West Bend. The score at the first quarter was 5-5, but West Bend held the edge at the end of the first half, 12-9. Our team started slowly in the second half and at the end of the third quarter, West Bend held a 19-14 lead. Our boys refused to be discouraged and a thrilling last quarter fight gave us a 27-24 victory.

Captain—Daniels

HORICON

Van Brunt gymnasium at Horicon was the scene of our third straight victory, the last of the season, when the Orange and the Black fell before the Red and White, 12-11. The first quarter found us at the short end of a 5-2 score. At half time the figures stood 7-3 against us. Daniels caged several exceptionally long baskets in the last quarter, and with two minutes left to play, our boys led. Inability to connect on rebounds accounts for the lowness of the score. Deanovich, Magyar, and Bachhuber played their last game for their Alma Mater.

Captain—Daniels

Senior Class History

TWO score, eight months ago, there gathered the largest assortment of green material that had ever assembled in the corridors of Mayville High School. The question at hand was to see whether, within the next four years, it were humanly possible to whip, force, or pound this conglomeration into a Senior Class. The four years have almost passed, and that green but energetic group of 1926 now stands at the threshold of a different world. Let one of the class tell us of the accomplishments outside of the regular curriculum that were made in changing this raw material of 1926 into the finished product of 1930.

During our Freshman year, we obtained the name of being the fastest, peppiest, and most active class in school. Just to be different from other classes, we gave three dances, besides taking a very active part in the Senior Stunt Show in which we took second place. The class was very well represented on the football field, to say nothing about the basket-ball squad. Inter-class tournaments found the "fightenest" aggregation that ever represented the Frosh.

In the fall of '27 we returned to assume the role of "sophisticated" Sophomores. There were only about sixty-five of the eighty-two members back, but we carried on our work with renewed effort to make up for the ones who weren't there. The year was packed with activities. We started the social events by giving a dance in which the whole school was entertained at our expense. Again we were able to demonstrate our originality by putting on a circus in Room 105 as a part of the Fair given by the Senior Class. Clowns, freaks galore, our "Million Dollar Lady," our own menagerie, and "Fifi," the strong man, are some of the events which will never be forgotten by those who were fortunate enough to witness them. This year we find more of the class out for athletics, band, orchestra, and forensics. Inter-class events found tough competition in the Sophs.

Third down and one to go! In the Junior year, our ranks were reinforced by several new-comers from Theresa High School, bringing the total up to about sixty members. While we gave a balloon dance for the football team at the end of the season, all of our efforts were concentrated on the Prom. This memorable event took place April 13, and the half a thousand merry-makers in attendance proclaimed it the biggest and best ever. The gym was stunningly decorated in Japanese effect. 'Twas the climax of our Junior year, and we felt that our efforts had not been in vain. Again our class contributed its share toward extra-curricular activities. We find eight men making the football team and three on the basket-ball team. Inter-class basket-ball finds the Juniors taking first place. Half of the debate team was furnished from the ranks of our

class, and one of our members took second place in extemporaneous speaking. We were well represented in the operetta, "Once in a Blue Moon."

Well, we have arrived at the point where we hate to see the school year draw to an end—our Senior year, with the largest class ever to graduate from Mayville High. We began our activities this year with a Mixer party for the whole school, followed by the Homecoming celebration, the largest ever given. At the close of the football season, we "copped off' seven of the gold footballs given for winning the Little Ten Championship. Four of the State Champion debaters are embraced under the colors of the Blue and Silver. First place in inter-class basket-ball was again claimed by the Class of '30. The class play, "Man or Mouse" was given on May 27, before a large and appreciative audience. Our most capable staff published this edition of the annual, the pride of the Senior Class.

And now, in making our grand finale, we again take the lead by being the first class of Mayville High to choose caps and gowns for Commencement, and when we receive our diplomas on June 10, we shall bid farewell to Mayville High School, taking with us cherished memories of the days we spent here.
